# Pentalabel® eklipse®

Keep your products fresher longer

eklipse® is perfectly suited for high-impact branding and makes your products stand out. Our shrink sleeve label films reduce total package costs and keep your beverages fresher longer by optimal light blocking properties.

## Benefits

-  Superior light-blocking properties, transmission rates of < 1%
-  Extended shelf-life
-  Vitamin, color & flavor protection
-  Whitest film available in the market
-  Ideal for contoured bottles

## Applications

- Beverages
- Food
- Health & Beauty
- Home & Garden
